

How to Schedule an Appointment

1. Use the Patient Portal
 - Find [MyUBMD](#), our Patient Portal two ways:
 - Visit our patient website at <http://www.ubmdim.com/index.php> & click on the UBMD Patient Portal button in the middle of the home page.
 - Visit the corporate UBMD Physicians' Group website site at <http://ubmd.com/patient-information/myubmd.html>
 - For more information about the Patient Portal go to the section on this page of the website, labeled 'Patient Portal.'

2. Schedule a future visit at the end of any office visit.

3. Call the office where you regularly see your doctor & make a new appointment.
